

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

Who we are

Holy Cross Preparatory School Kingston, George Road, Kingston upon Thames, Surrey, KT2 7NU,

Telephone: 020 8942 0729

Holy Cross Preparatory School processes personal data relating to its current, past and prospective parents, guardians, pupils, staff, trustees, visitor's, contractors, visiting music teachers and other peripatetic workers, casual workers, temporary staff and volunteers who may be employed or engaged by the school to work for it in any capacity, and therefore is a data controller. The school is registered with ICO and will renew this registration annually or as otherwise legally required.

The Data Protection Act 2018 (DPA) and the UK General Data Protection Regulation (UKGDPR) includes rules on giving privacy information to those whose data is held by an organisation (data subjects). These are more detailed and specific than in the DPA and place an emphasis on making privacy notices understandable and accessible. Data controllers are expected to take 'appropriate measures' to ensure that this is the case.

The school interprets this as using very clear language to outline each of the responsibilities for each of the data subject groups.

The GDPR say that the information provided to data subjects about how the school processes their personal data must be:

- concise, transparent, intelligible and easily accessible;
- written in clear and plain language, particularly if addressed to a child; and
- free of charge.

What this Privacy Notice is for

This **Privacy Notice** is intended to provide information about how the school will use (or "process") personal data about individuals including: its current, past and prospective pupils; and their parents, carers or guardians (referred to in this policy as "parents"). Collectively, we refer to these individuals in the Privacy Notice as the school's community.

This information is provided because Data Protection Law gives individuals rights to understand how their data is used. Parents and pupils are all encouraged to read this Privacy Notice and understand the school's obligations to its entire community.

This **Privacy Notice** applies alongside any other information the school may provide about a particular use of personal data, for example when collecting data via an online or paper form.

This **Privacy Notice** also applies in addition to the school's other relevant terms and conditions and policies, including:

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

- any contract between the school and the parents of pupils;
- any policies or notices applicable to all, concerning the handling of personal data;
- the school's policy on taking, storing and using images of children;
- the school's CCTV policy;
- the school's Retention of records policy;
- the school's safeguarding, pastoral, or health and safety policies, including as to how concerns or incidents are recorded; and
- the school's IT policies, including its Acceptable Use policy, Social Media policy, eSafety policy, WiFi policy, Remote Working policy and Bring Your Own Device policy.

Anyone who works for, or acts on behalf of, the school (including staff, volunteers, governors and service providers) will be subject to suitable training and/or policies commensurate with their role.

Responsibility for data protection

The School Bursar will deal with all your requests and enquiries concerning the school's uses of your personal data (see section on Your Rights below) and endeavour to ensure that all personal data is processed in compliance with this policy and Data Protection Law. Request and enquires should be addressed to the bursar: hcp.bursar@holycrossprep.com holycrossprep.com; or at the address given above and phone number detailed above.

Why the school needs to process personal data

In order to carry out its ordinary duties to staff, pupils and parents, the school needs to process a wide range of personal data about individuals (including current, past and prospective staff, pupils or parents) as part of its daily operation.

Some of this activity the school will need to carry out in order to fulfil its legal rights, duties or obligations – including those under a contract with its staff, or parents of its pupils.

Other uses of personal data will be made in accordance with the school's legitimate interests, or the legitimate interests of another, provided that these are not outweighed by the impact on individuals and provided it does not involve special or sensitive types of data.

The school expects that the following uses will fall within that category of its (or its community's) **"legitimate interests"**:

- For the purposes of pupil selection, to confirm the identity of prospective pupils and their parents and retain a record if appropriate for the purposes of future applications or openings. This may include any necessary credit checks, whether with previous schools or other third-party sources.
- To provide education services, including musical education, physical training or spiritual development, career services, and extra-curricular activities to pupils, and monitoring pupils' progress and educational needs, including where such services are provided remotely (either temporarily or permanently)

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

- Maintaining relationships with alumni and the school community, including direct marketing or fundraising activity;
- For the purposes of donor due diligence, and to confirm the identity of prospective donors and their background [and relevant interests];
- For the purposes of management planning and forecasting, research and statistical analysis, including that imposed or provided for by law (such as tax, diversity or gender pay gap analysis);
- To enable relevant authorities to monitor the school's performance and to intervene or assist with incidents as appropriate;
- To give and receive information and references about past and current pupils, including relating to outstanding fees or payment history, to/from any educational institution that the pupil attended or where it is proposed they attend; and to provide references to potential employers of past pupils;
- To enable pupils to take part in national or other assessments, and to publish the results of public examinations or other achievements of pupils of the school;
- To safeguard pupils' health and welfare and provide appropriate pastoral care;
- To monitor (as appropriate) use of the school's IT and communications systems in accordance with the school's IT: Acceptable Use of IT policy;
- To make use of photographic images of pupils in school publications, on the school website and (where appropriate) on the school's social media channels in accordance with the school's policy on taking, storing and using images of children;
- For security purposes, including CCTV in accordance with the school's CCTV policy;
- For regulatory record keeping / compliance purposes in respect of immigration requirements, as a visa sponsor;
- To carry out or cooperate with any school or external complaints, disciplinary or investigation process; and
- Where otherwise reasonably necessary for the school's purposes, including to obtain appropriate professional advice and insurance for the school.

In addition, the school will on occasion need to process **special category personal data** (concerning health, ethnicity, religion, biometrics or sexual life) or criminal records information (such as when carrying out DBS checks) in accordance with rights or duties imposed on it by law, including as regards safeguarding and employment, or from time to time by explicit consent where required. These reasons will include:

- To safeguard pupils' welfare* and provide appropriate pastoral (and where necessary, medical) care, and to take appropriate action in the event of an emergency, incident or accident, including by disclosing details of an individual's medical condition or other relevant information where it is in the individual's interests to do so: for example for medical advice, for social protection, safeguarding, and cooperation with police or social services, for insurance purposes or to caterers or organisers of school trips who need to be made aware of dietary or medical needs;

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

- To comply with public health requirements or testing: including managing on-site testing and/or processing the results of tests taken by pupils or other members of the School community, and sharing this information with relevant health authorities;
- To provide educational services in the context of any special educational needs of a pupil;
- To provide spiritual education in the context of any religious beliefs;
- In connection with employment of its staff, in a pastoral, complaint or disciplinary context;
- To run any of its systems that operate on biometric data, such as for security and other forms of pupil identification;
- As part of any school or external complaints, disciplinary or investigation process that involves such data, for example if there are SEND, health or safeguarding elements*; or
- For legal and regulatory purposes (for example child protection, diversity monitoring, health and safety and immigration / visa sponsorship compliance) and to comply with its legal obligations and duties of care.

*Other policy documents apply

Types of personal data processed by the school

This will include by way of example:

- names, addresses, telephone numbers, e-mail addresses and other contact details;
- bank details and other financial information, e.g. about parents (or others) who pay fees to the school, and any anti-money laundering information we are required to collect by law;
- past, present and prospective pupils' academic, disciplinary, admissions and attendance records (including information about any special needs), and examination scripts and marks;
- nationality and other immigration status information (eg right to study), including copies of passport information;
- where appropriate, information about individuals' health and welfare, and contact details for their next of kin;
- references given or received by the school about pupils, and relevant information provided by previous educational establishments and/or other professionals or organisations working with pupils;
- correspondence with and concerning staff, pupils and parents (past and present); and
- images of pupils (and occasionally other individuals) engaging in school activities, and images captured by the school's CCTV system (in accordance with the school's policy on taking, storing and using images of children);

How the school collects data

Generally, the school receives personal data from the individual directly (including, in the case of pupils, from their parents). This may be via a form, or simply in the ordinary course of interaction or communication (such as email or written assessments).

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

However, in some cases personal data will be supplied by third parties (for example another school, or other professionals or authorities working with that individual); or collected from publicly available resources.

Who has access to personal data and who the school shares it with

Processing by third parties. For the most part, personal data collected by the school will remain within the school, and will be processed by appropriate individuals only in accordance with access protocols (i.e. on a 'need to know' basis). However, some functions are outsourced including e.g. HR, accounting, IT, cloud storage / records management, monitoring, mailing. In accordance with Data Protection Law, this type of external data processing is always subject to contractual assurances that personal data will be kept securely and used only in accordance with the school's specific directions.

Data sharing. Occasionally, the school (including its trustees and members) – will need to share personal information relating to its community of staff, pupils, parents, trustees and members with third parties, such as:

- appropriate contractors, such as visiting music teachers;
- professional advisers (e.g. lawyers, insurers, PR advisers and accountants);
- examination boards;
- other schools when receiving pupils or destination schools;
- Stage 3 complaints panels, which will include independent panel members;
- third parties and their advisers in the event of a possible or actual sale, merger or other restructuring of the school;
- government authorities (e.g. HMRC, DfE, Kingston & Richmond Safeguarding Partnership, CAFCASS, police, Home Office, a relevant public health body, a local authority) and/or appropriate regulatory bodies (e.g. the Teaching Regulation Agency, the Independent Schools Inspectorate, the Charity Commission etc.);
- on joining the school, families become members of the Friends of Holy Cross, the school's parents' association (charity number:1042539); and
- on leaving the school, pupils and families are invited to become members of the school's alumni association.

Access to, and sharing of, sensitive data

Particularly strict rules of access apply to sensitive data in the context of:

- medical records; and
- pastoral or safeguarding files.

Medical data: The school needs to process such information to comply with statutory duties and to keep pupils and others safe, but the school will ensure only authorised staff can access information on a need-to-know basis. This may include wider dissemination if needed for school trips or for catering purposes.

A certain amount of any SEND pupil's relevant information will need to be provided to staff more widely in the context of providing the necessary care and education that the pupil requires.

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

Pastoral and Safeguarding data: Staff, pupils and parents are reminded that the school is under duties imposed by law and statutory guidance (including **Keeping Children Safe in Education (KCSIE)**) to record or report incidents and concerns that arise or are reported to it, in some cases regardless of whether they are proven, if they meet a certain threshold of seriousness in their nature or regularity. This is likely to include file notes on personnel or safeguarding files, and in some cases referrals to relevant authorities such as Kingston & Richmond Safeguarding Partnership, the LADO or police. KCSIE also requires that, whenever a child leaves the school to join another school, her child protection file is promptly provided to the new organisation. The school will retain a copy in accordance with its retention policy for material related to safeguarding matters. For further information about this, please view the school's Safeguarding Policy. As part of its approach on safeguarding and pastoral care the school also records 'low-level' concerns e.g. playground disputes, low level changes in domestic circumstances.

Finally, in accordance with Data Protection Law, some of the school's processing activity is carried out on its behalf by third parties, such as IT systems (including the assessing of pupil attainment), web developers or cloud storage providers. This is always subject to contractual assurances that personal data will be kept securely and only in accordance with the school's specific directions.

How long we keep your personal data

The school will retain personal data securely and only in line with how long it is necessary to keep for a legitimate and lawful reason. Typically, the legal recommendation for how long to keep pupil personnel files is up to age 25 and ordinary staff personnel files are for 7 years following departure from the school. However, incident reports and safeguarding files will need to be kept much longer, in accordance with specific legal requirements.

If you have any specific queries about how our retention policy is applied or wish to request that personal data that you no longer believe to be relevant is considered for erasure, please contact the school bursar. However, please bear in mind that the school will often have lawful and necessary reasons to hold on to some personal data even following such request.

A limited and reasonable amount of information will be kept for archiving purposes, for example; and even where you have requested we no longer keep in touch with you, we will need to keep a record of the fact in order to fulfil your wishes (called a "suppression record").

Keeping in touch and supporting the school

The school and our related organisations (e.g. the parents association and the alumni association) will use the contact details of parents, alumni and other members of the school community to keep them updated about the activities of the school, or alumni and parent events of interest, including by sending updates and newsletters, by email and by post. Unless the relevant individual objects, the school may also:

- Share personal data about parents and/or alumni, as appropriate, with organisations set up to help establish and maintain relationships with the school community;

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

- Contact parents and/or alumni by post and email in order to promote and raise funds for the school and, where appropriate, other worthy causes; and
- Collect information from publicly available sources about parents' and former pupils' occupation and activities, in order to maximise the school's fundraising potential

Should you wish to limit or object to any such use, or would like further information about them, please contact the school bursar in writing. You always have the right to withdraw consent, where given, or otherwise object to direct marketing or fundraising. However, the school is nonetheless likely to retain some of your details (not least to ensure that no more communications are sent to that particular address, email or telephone number).

Your rights

You have the following rights:

- to obtain access to, and copies of, the personal data that we hold about you;
- to require us to correct the personal data we hold about you if it is incorrect;
- to require us (in certain circumstances) to erase your personal data;
- to request that we restrict our data processing activities (and, where our processing is based on your consent, you may withdraw that consent, without affecting the lawfulness of our processing based on consent before its withdrawal);
- to receive from us the personal data we hold about you which you have provided to us, in a reasonable format specified by you, including for the purpose of you transmitting that personal data to another data controller;
- to object, on grounds relating to your particular situation, to any of our particular processing activities where you feel this has a disproportionate impact on your rights.

Please note that the above rights are not absolute, and we may be entitled to refuse requests where exceptions apply. The school will endeavour to respond to any such requests as soon as is reasonably practicable and in any event within statutory time-limits (which is generally one month, but actually fulfilling more complex or multiple requests, e.g., those involving third party information, may take 1-2 months longer).

Rights of access, etc.

Individuals have various rights under Data Protection Law to access and understand personal data about them held by the school, and in some cases ask for it to be erased or amended or have it transferred to others, or for the school to stop processing it – but subject to certain exemptions and limitations.

Any individual wishing to access or amend their personal data or wishing it to be transferred to another person or organisation, or who has some other objection to how their personal data is used, should put their request in writing to the school bursar.

The school will endeavour to respond to any such written requests as soon as is reasonably practicable and in any event within statutory time-limits (which is generally one month) possibly

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

longer if the timescale includes school holiday periods. The reality of fulfilling more complex or multiple requests, e.g. those involving third party information, may take 1-2 months longer.

The school will be better able to respond quickly to smaller, targeted requests for information. If the request for information is manifestly excessive or similar to previous requests, the school may ask you to reconsider, or require a proportionate fee (but only where Data Protection Law allows it).

If you consider that the personal data, we hold on you is inaccurate, please let us know. However, the school will not necessarily delete or amend views, opinions, notes or records purely on the request of an individual who disputes the account, although we may keep a record of all parties' viewpoints.

Requests that cannot be fulfilled

You should be aware that GDPR rights (including the right of access) are limited to your own personal data, and certain data is exempt. This will include information which identifies other individuals (and parents need to be aware this may in certain limited situations include their own children, or information which is subject to legal privilege (for example legal advice given to or sought by the school, or documents prepared in connection with a legal action). The school is also not required to disclose any pupil examination scripts (or other information consisting solely of pupil test answers), provide examination or other test marks ahead of any ordinary publication, nor share any confidential reference given by the school itself for the purposes of the education, training or employment of any individual.

A principle of the GDPR is the so-called "right to be forgotten". However, we will sometimes have compelling reasons to refuse specific requests to amend, delete or stop processing your (or your child's) personal data: for example, a legal requirement, or where it falls within a legitimate interest identified in this Privacy Notice. All such requests will be considered on their own merits.

Pupil requests

Pupils can make subject access requests for their own personal data, provided that, in the reasonable opinion of the school, they have sufficient maturity to understand the request they are making (see section Whose Rights? below). A pupil of any age may ask a parent or other representative to make a subject access request on their behalf.

Indeed, while a person with parental responsibility will generally be entitled to make a subject access request on behalf of younger pupils, the law still considers the information in question to be the child's: for older pupils, the parent making the request may need to evidence their child's authority for the specific request. Requests not considered in the child's best interests may sometimes be refused.

Pupils at senior school aged 13 and above are generally assumed to have this level of maturity to request their data, although this will depend on both the child and the personal data requested, including any relevant circumstances at home. Slightly younger children than 13 years may however be sufficiently mature to have a say in this decision, depending on the child and the circumstances.

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

Parental requests, etc.

It should be clearly understood that the rules on subject access are not the sole basis on which information requests are handled. Parents may not have a statutory right to information, but they and others will often have a legitimate interest or expectation in receiving certain information about pupils without their consent. The school may consider there are lawful grounds for sharing with or without reference to that pupil.

Parents will in general receive educational and pastoral updates about their children, in accordance with the Parent Contract. Where parents are separated, the school will in most cases aim to provide the same information to each person with parental responsibility but may need to factor in all the circumstances including the express wishes of the child, court orders, or pastoral issues.

All information requests from, on behalf of, or concerning pupils – whether made under subject access or simply as an incidental request – will therefore be considered on a case-by-case basis.

Consent

Where the school is relying on consent as a means to process personal data, any person may withdraw this consent at any time (subject to similar age considerations as above). An example where we do rely on consent is certain types of fundraising activity. Please be aware however that the school may not be relying on consent but have another lawful reason to process the personal data in question even without your consent.

That reason will usually have been asserted under this Privacy Notice, or may otherwise exist under some form of contract or agreement with the individual (e.g. an employment or parent contract, or because a purchase of goods, services or membership of an organisation such as an alumni or parents' association has been requested).

Whose rights?

The rights under Data Protection Law belong to the individual to whom the data relates. However, the school will often rely on parental authority or notice for the necessary ways it processes personal data relating to pupils – for example, under the parent contract, or via a form. Parents and pupils should be aware that this is not necessarily the same as the school relying on strict consent (see section on Consent above).

Where consent is required, it may in some cases be necessary or appropriate (given the nature of the processing in question, and the pupil's age and understanding)– to seek the pupil's consent. Parents should be aware that in such situations they may not be consulted, depending on the interests of the child, the parents' rights at law or under their contract, and all the circumstances.

In general, the school will assume that pupils' consent is not required for ordinary disclosure of their personal data to their parents, e.g. for the purposes of keeping parents informed about the pupil's activities, progress and behaviour, and in the interests of the pupil's welfare. That is unless, in the school's opinion, there is a good reason to do otherwise.

HOLY CROSS PREPARATORY SCHOOL PRIVACY NOTICE

However, where a pupil seeks to raise concerns confidentially with a member of staff and expressly withholds their agreement to their personal data being disclosed to their parents, the school may be under an obligation to maintain confidentiality unless, in the school's opinion, there is a good reason to do otherwise; for example where the school believes disclosure will be in the best interests of the pupil or other pupils, or if required by law.

Pupils are required to respect the personal data and privacy of others, and to comply with the school's Acceptable Use of IT and E-Safety policy and the school rules. Staff are under professional duties to do the same covered under the relevant staff policy.

Data accuracy and security

The school will endeavour to ensure that all personal data held in relation to an individual is as up to date and accurate as possible. Individuals must please notify the relevant member of school staff of any significant changes to important information, such as contact details, held about them.

An individual has the right to request that any out-of-date, irrelevant or inaccurate or information about them is erased or corrected (subject to certain exemptions and limitations under Data Protection Law): please see above for details of why the school may need to process your data, of who you may contact if you disagree.

The school will take appropriate technical and organisational steps to ensure the security of personal data about individuals, including policies around use of technology and devices, and access to school systems. All staff and governors will be made aware of this policy and their duties under Data Protection Law and receive relevant training.

This policy

The school will update this Privacy Notice from time to time. Any substantial changes that affect your rights will be provided to you directly as far as is reasonably practicable.

Queries and complaints

Any comments or queries on this policy should be directed to the school bursar using the contact details provided above.

If an individual believes that the school has not complied with this policy or acted otherwise than in accordance with Data Protection Law, they should utilise the school complaints or grievance procedure. You can also make a referral to or lodge a complaint with the Information Commissioner's Office (ICO), although the ICO recommends that steps are taken to resolve the matter with the school before involving the regulator.

This policy is reviewed annually by the board of trustees.
